CATERING MENU

A Non Profit Social Enterprise

EMPOWERING YOUTH

ONE HARVEST AT A TIME

Monkey Business Café is a non-profit social enterprise with a mission to heal, educate and empower foster care and at risk youth to become healthy and productive members of the community.

We pride ourselves on serving quality scratch ingredients such as homemade soups, salsas, BBQ sauce, gravy, biscuits, granola and salad dressings. We serve Sweetwater hormone-free and antibiotic-free chicken. Our coffee is organic and locally roasted.

Our collaboration at the Cal State Fullerton Arboretum enables us to provide our guests with organically grown vegetables whenever possible. Our youth grow, harvest and implement these vegetables into our menu items, specials and product line.

Thank You for Supporting Our Mission!
